- 3.5 The Order is deemed to present accurately and in full the content of the Agreement formed between the Parties.
- 3.6 The Supplier is required to alert Global Expo Stand in the case of errors in or inconsistencies or incompleteness between parts of the Agreement before commencing the performance thereof and to enter into consultation with Global Expo Stand , so that the Agreement can be amended if necessary.
- 3.7 Drawings, visuals, designs, models, specifications, instructions and the like that have been provided by Global Expo Stand to be used for the performance of the Agreement are an integral part of the Agreement.

In addition, Global Expo Stand shall be entitled, in case it has received an Order Confirmation, to cancel the Agreement as long as the Supplier has demonstrably not yet commenced the performance thereof. Global Expo Stand shall in that case pay the Supplier the costs incurred by the Supplier, insofar as these are reasonable.
- 4.2 If the Supplier, without having received an Order or having accepted the Order by means of an Order Confirmation, commences to deliver the Performance, it shall do so at its own risk and expense.

5. Engagement of third parties

- 5.1 The Supplier shall only be authorised to engage third parties in and for the Agreement and performance of the Agreement with the prior written permission of Global Expo Stand . Global Expo Stand shall be authorised at any time to attach specific conditions to this permission.
- 5.2 The Supplier shall be responsible and liable for the Services performed and/or Goods delivered by the third parties engaged by it in respect of Global Expo Stand in the same way and to the same extent as if the Supplier had itself performed the Services concerned or delivered the Goods concerned. The Supplier accordingly guarantees in respect of Global Expo Stand that the third parties engaged by it shall comply with the same obligations.

6. Prices

- 6.1 The agreed prices are in euros and exclude VAT (unless expressly stated otherwise), other government levies, costs of transport, packaging, insurance and similar costs.
- 6.2 The time when the Agreement was formed pursuant to Article 3.4 shall determine the prices, discounts and other terms applying between the Parties. Any subsequent price increases shall not apply between the Parties unless agreed otherwise in writing.
- 6.3 Exchange rate fluctuations shall be at the risk and expense of the Supplier.

7. Delivery

- 7.1 The delivery of Goods shall take place DDP (Incoterms 2010) at the agreed time and location of delivery. If only a date and no exact time has been agreed, delivery of the Goods must take place during office hours, i.e. Monday to Friday, except on public holidays, between 8.00 a.m. and 5.00 p.m. If no location has been agreed, delivery shall take place at the visiting address of the business of Global Expo Stand .
- 7.2 The Services to be performed must be performed at the agreed time and at the agreed location. If only a date and no exact time has been agreed, the Services must be performed during office hours, i.e. Monday to Friday, except on public holidays, between 8.00 a.m. and 5.00 p.m. If no location has been agreed, the Services must be performed at the visiting address of the business of Global Expo Stand .
- 7.3 The agreed delivery time and/or the delivery deadline, or the latest date by which the Performance must have been delivered, are strict deadlines. In the case of late delivery, the Supplier shall be in default without any notice of default being required, i.e. by operation of law.
- 7.4 If the Supplier foresees that the agreed deadline will not be met, it is required to inform Global Expo Stand of this immediately in writing, stating the reason for the delay and a new period within which it will now deliver. This shall apply without prejudice to the obligation of the Supplier to compensate Global Expo Stand for consequential and other loss suffered or costs incurred by Global Expo Stand or by third parties in connection with the failure to meet this delivery deadline. The Supplier shall only be entitled to deliver an alternative Performance after Global Expo Stand has given its permission for this in writing.
- 7.5 Every delivery of Goods must be accompanied by:
 - (i) a packing note, affixed in a clearly visible manner to the outside of the Goods, the packaging or the transport packaging, stating the project name, the order number and the name of the buyer concerned at Global Expo Stand ;

- 7.7 If Global Expo Stand is unable to take receipt of the Performance at the agreed time, the delivery of the Performance by the Supplier shall be deferred immediately on Global Expo Stand 's request during a reasonable period to be determined by the Parties and on the basis of further agreements to be made. Goods shall in that case be properly packaged, clearly showing that they are intended for Global Expo Stand , stored, protected and adequately insured by the Supplier. If the deferred delivery is a consequence of special circumstances on the part of Global Expo Stand , Global Expo Stand shall not be liable to compensate for any costs and/or loss. In all other cases, following prior consultation with Global Expo Stand , the reasonable costs connected with the deferred delivery can

be charged to Global Expo Stand .

8. Changes

Contract variations can only be applicable insofar as Global Expo Stand has given written instructions for them, following a written request to that effect from the Supplier as referred to in Article 6.2 or otherwise. In the case of contract reductions, the price for the Performance shall be reduced proportionally. Unless agreed otherwise in writing, Global Expo Stand shall in the case of contract extras, if the contract extras will have consequences for the agreed price, pay for the agreed contract extras on the basis of the customary rates.

8.2 If, in the Supplier's opinion, contract extras will apply and this will, in the Supplier's opinion, have consequences for the agreed price and/or delivery date, it shall be obliged, before implementing the change, to inform Global Expo Stand of this in writing, as soon as possible but no later than within eight days after notification of the change requested. Work that could have been foreseen in advance by the Supplier shall never be eligible for being charged as contract extras. If the consequences for the price and/or delivery date are unreasonable in Global Expo Stand's opinion, with regard to the nature and the extent of the change, Global Expo Stand shall be entitled to dissolve the Agreement by means of written notification thereof to the Supplier, unless this would be contrary to the principles of reasonableness and fairness, given the circumstances. A dissolution on those grounds does not entitle the Supplier to compensation of any loss.

9. Ownership and risk

9.1 Unless agreed otherwise between the Parties, ownership of the Performance, purchased materials, raw materials and/or semi-finished products for the Performance, works in progress and technical drawings shall transfer to Global

Expo Stand upon delivery. If the Parties have agreed that the Performance must first be approved by Global Expo Stand, the risk shall not be transfer until after approval by Global Expo Stand .

9.2 In derogation from the provisions in Article 9.1, Global Expo Stand shall, in the case referred to in Article 7.7, obtain ownership of Goods at the time when they are stored on behalf of Global Expo Stand .

9.3 If, in derogation from the provisions in Article 10.2, full or partial payment in advance has been agreed, Global Expo Stand shall obtain, pursuant to the advance payment made by it, without any specific acts of transfer being required for this, the ownership of the Goods, materials, raw materials and/or semi-finished products for the Performance that the Supplier uses for the performance of the Agreement or intended for this, up to the value of the amount paid in advance.

9.4 The risk of storage of the Goods, materials, raw materials and/or semi-finished products for the Performance by the Supplier and transport to Global Expo Stand shall be borne by the Supplier at all times. The Supplier is obliged to adequately insure, and keep insured, at its own expense, the Goods, materials, raw materials and/or semi-finished products for the Performance during the storage thereof and the transport to a destination designated by Global Expo Stand .

- 10.2 Global Expo Stand shall pay the invoice within 30 working days after receipt, unless a complaint is made by Global Expo Stand following receipt of the Goods and/or the performance of the Services about the quality and/or the quantity of the Performance delivered, in which case Global Expo Stand shall be entitled to suspend payment for as long as the Agreement has not yet been performed correctly.
- 10.3 If payment in advance has been agreed, the Supplier shall be required, immediately on request, to provide security for fulfilment to Global Expo Stand by means of an unconditional and irrevocable bank guarantee (including the amount of VAT due) or a surety.
- 10.4 If – despite a complaint – payment is made, the payment does not constitute acceptance or approval of the Goods and/or Services delivered or a waiver of any right.
- 10.5 Global Expo Stand shall be entitled to set off amounts due and payable or otherwise that it can claim from the Supplier for any reason against the amounts it owes to the Supplier. The Supplier is not likewise entitled to do the same.
- 10.6 Global Expo Stand shall be entitled at any time to suspend its obligations with regard to an Agreement if and insofar as the Supplier breaches, partially or otherwise, the fulfilment of its obligation. The Supplier is not likewise entitled to do the same.
- 10.7 Global Expo Stand shall not pay any interest charges, collection costs or other costs for the collection of invoices in the event that the Supplier has submitted an inaccurate, incomplete or otherwise incorrect invoice or in the case of a breach in fulfilling the obligations of the Supplier.
- 10.8 Transaction costs relating to payments (for instance, with regard to payments to foreign bank accounts) shall be payable by the Supplier.

11. Inspection

- 11.1 Without prejudice to the Supplier's obligations, Global Expo Stand shall be entitled to carry out or arrange for interim inspection of the Performance to be

12. Quality and guarantee

- 12.1 The Supplier guarantees:

- a) that it will fulfil in a timely manner and in full its obligations on the basis of the Agreement, including but not limited to the performance of the Services and/or the delivery of the Goods in accordance with (i) the specifications (including with regard to the packaging) as stated in the Agreement, (ii) the instructions as may/will be given from time to time by Global Expo Stand in writing or orally and (iii) the further agreements that may be made by the Parties;

The Supplier will always do this free of charge and within the reasonable period of time stated by Global Expo Stand. If repairing or replacing the Goods and/or performing the Services again is

not possible, Global Expo Stand shall be entitled to repayment of or a discount on the agreed price.

- 12.3 Without prejudice to the right of Global Expo Stand to full compensation, the Supplier, if it is unable to carry out or arrange for the repair, replacement or restoration the Goods and/or to perform the Services again within the period time referred to in Article 12.2 under a, will be required to pay a penalty of EUR 5,000 (in words: five thousand euros) for each day that it has failed to carry out or arrange for the repair, replacement or restoration of the Goods and/or reperformance of the Services.
- 12.4 If Global Expo Stand, on the basis of the provision in Article 12.2 under a, has the Supplier repair, replace or restore the Goods and/or perform the Services again, this shall not affect the right of Global Expo Stand to compensation.
- 12.5 Approval by Global Expo Stand, during or immediately after the delivery of the Goods, and/or signing of the work ticket as referred to in Article 7.6 shall not release the Supplier from the aforementioned guarantee obligations.
- 12.6 In the absence of a proper fulfilment of the aforementioned restoration obligation and/or fulfilment thereof within the set period of time, as well as in urgent cases, Global Expo Stand shall be entitled to carry out the necessary actions or to have them carried out by third parties at the risk and expense of the Supplier, provided the Supplier is informed thereof as soon as possible.

13. Liability

- 13.1 The Supplier shall be liable for all direct and indirect loss that is suffered by Global Expo Stand or by third parties as a result of a defect in the Performance and/or as a result of or in connection with the performance of the Agreement, or as a result of unlawful conduct of the Supplier, its staff and/or third parties engaged by it.

The liability of Global Expo Stand shall at all times be limited to an amount equal to the invoice value of the Agreement.

14. Force majeure

- 14.1 Force majeure with regard to one of the Parties shall apply if it is unable to fulfil its obligations under the Agreement as a result of a non-attributable failure.
