global

network

We work with only trusted partners and are confident to build events across the world.

who are we

Global Local Events and Tradeshow Professionals

A GLOBAL NETWORK

We started building a global network of trusted stand construction partners. Now you do not have to anymore. New tradeshow location? Come to us for a trusted stand builder located close to your expo location.

NO UNNECESSARY TRANSPORT

Constructing with your trusted stand constructor at exhibitions abroad can be a reassuring thought. Yes, you pay extra for transport and travel cost, but at least you know the job gets done professionally.

THE HYBRID ERA

Constructing with your trusted stand constructor at exhibitions abroad can be a reassuring thought. Yes, you pay extra for transport and travel cost, but at least you know the job gets done professionally.
